St Michael's Abbey are aware of the provisions of the disability discrimination act and are keen to accommodate all volunteers where we can without contradicting Church or monastic practice.

St Michael's Abbey are able to require prospective volunteers to disclose all convictions including spent convictions as the work is covered by the exemption order of 1975 relating to Section 4(2) and Section 4(3)(b) of the Rehabilitation of Offenders Act 1974.

The basis of this exemption is that volunteers may have access to vulnerable groups such as children and elderly people.

If you have any spent convictions please tick this box

You will be asked for details at your interview and this information will be held in the strictest of confidence.
